Subject: Alberta Seniors Continue to Pay Doctor Medical Fees

Alberta Seniors United Now (SUN) is a non-profit, non-partisan organization established in 2003 to enable all seniors in Alberta to contribute and truly participate in the well-being of the Province of Alberta.

Thank you for your July 26, 2023 reply regarding fees paid by seniors for their cognitive drivers' medical exam.

We are encouraged by your comment that Alberta Health is exploring options to reduce fees for seniors' driver medical exams on their ability to pay. However, our seniors are requesting that this fee be eliminated altogether.

Currently many seniors are struggling with the erosion of their pensions, due to inflation and the cost-of-living essentials they need for their well-being. The elimination of this fee would be greatly appreciated by them.

Thanking you in advance for contacting us when the decision is reached by Alberta Health on this very important issue.

Sincerely,

Wayne Sorenson
