Subject: LAPP 2024 COLA Adjustment

Mr. Troy Mann

Thank you for your informative reply to Seniors United Now, January 9, 2024.

We are extremely pleased to learn that the LAPP Sponsor Board approved a one-time COLA enhancement effective January 1, 2024. I am sure that LAPP retirees will be pleased to learn that for the 2024 calendar year, each month they will receive an increase from 60% to 100% of the Alberta Consumer Price Index (C.P.I.) which means instead of receiving a 2.34%, they will receive a 3.9% increase in their pension benefits. Having the Sponsor Board review the strong financial position of the plan and their decision to utilize \$0.5 billion from the \$61.7 billion surplus is commendable. We acknowledge that this is the first time in LAPP's history where this kind of enhancement was considered and granted.

We also appreciated the opportunity LAPP Sponsors provided to SUN so that we could discuss at a Zoom meeting and through follow up correspondence, the importance of retirees being able to keep pace with inflation.

After receiving your E mail, I have also reviewed your "LAPP retirees 2024 newsletter" and it provided excellent information for the members. I am encouraged to read that the sponsor board has the discretionary ability, upon reviewing the financial position of the plan, to consider granting further COLA enhancements or amending the plan text to indicate other wise. If we can be of any further assistance to your Board, we would be pleased to have the opportunity to so.

Once again, thank you for keeping Seniors United Now informed and we look forward to continued communication.

Sincerely,

Wayne Sorenson
