

CHAPTER SUN BOARD REPORT DECEMBER 2020

To keep our members up to date, listed below are some Board activities that took place over the past few months.

- The SUN Board of Directors held a “zoom” Annual General Meeting (AGM) on September 30, 2020. Thanks to our members participation, a quorum was achieved. Nominations for vacant Board positions were filled. A big thank you goes out to all the Board members and staff who made this event remarkably successful.
- The UCP Government announced they are going to launch budget consultation on further spending and saving priorities before the next February 2021 provincial budget release. This may mean that provincial spending cuts are coming and that seniors will most likely be affected. Together with your input, the Board intends to make our voices heard during this consultation period. Also, we will make our concerns known to the Government Ministers who are involved in seniors care and benefits.
- The SUN Board of Directors Strategic 2020-2021 Plan has been approved.
- The date for next Annual General Meeting (AGM) is April 28, 2021.
- Debra Wilson (membership coordinator) is in the process of developing a Facebook page for “Seniors United Now”.
- For the Pension Reform Committee to move forward, we need P.I.A. (Public Interest Alberta) to meet with us to discuss this important issue. To date they have not responded to our correspondence.
- Our SUN website home page “what’s New” section was hacked, Lynn Penner, together with our webmaster, dealt with this issue. An upgraded site is currently being developed. It is expected to be live in Early December.
- SUN’s “Casino Fundraising Event”, is scheduled for 2021, likely the third or fourth quarter, no dates at this time have been issued by AGLC (Alberta Gaming and Liquor Commission).
